To the Judiciary Committee-

RE: Oppose RHB 5416- An Act Concerning Bulk Purchase of Pistols and Revolvers.

I am a law abiding citizen and the government has ZERO authority to limit how many hand guns I can purchase in a 30 day period. To my knowledge, the government does not limit the quantity of any legally purchased goods that any law abiding citizen can buy.

Act RHB 5416 is designed to continue to strip away the rights of the average, law abiding citizen in Connecticut.

Thank you for your time.
